

GemSeal[®] FedSpec

GemSeal FedSpec is the proven, industry-leading refined tar sealer for asphalt surfaces. Manufactured using our precision colloid mill system, FedSpec sealer will provide consistent results time after time. Formulated with a high solids concentration, FedSpec gives property owners the deep, rich, black color they desire while providing durable protection of their asphalt investment.

LONG-LASTING

- Resistant to fuel and oil
- Excellent durability
- Extends the safe usability of asphalt surfaces

VERSATILE

- Ideal for high traffic areas and airports
- Provides excellent protection on parking lots and driveways
- Black color makes striping stand out, enhancing driver safety

CONSISTENT

- Dries to a deep, rich black color
- Manufactured using colloid mill process

SAFE & EASY TO USE

- Conforms to industry-leading quality control program
- Meets or exceeds RP355e, ASTM D5727 & FAA P625, P627, P603, and P631
- Can be applied using either spray or squeegee method

GemSeal manufactures, supplies, and specifies pavement preservation products nationwide, including sealers and additives, lot marking paints, crack sealants, pothole patches, primers, tools, and equipment. For nearly 60 years, we have been defined by our products, value, delivery, and customer support. We guarantee exacting quality control and consistent results on every jobsite nationwide.
